Headline Updates from Obitus

- We've been able to offer the Digital Download link free of charge with a Live & On Demand Stream for a number of years. However, it does incur a cost in production. Going forward, there will be a charge for this item.
- We have extended our free of charge offering for Young People (up to 18 years old) by now providing a choice of either a Music Tribute or Basic Slideshow.
- We have redefined our Extra Work Charges to make them clearer and easier to understand. We can take content such as multiple videos and pieces of music provided by the family, and craft them into a unique Tribute

Tribute Deadlines

Music & Themed Tributes - Orders can be placed up to 5pm on the 3rd Working Day before the service. After this the website will lock for any new orders, and you will need to contact Obitus via phone or email to make any orders or amendments. A late fee will be applied to any orders or amendments made up until 2pm 2 working days before the service. After 2pm 2 working days before we will not accept new orders or amendments.

Basic Slideshow, Single Photo & Family Supplied - Orders can be placed up to 5pm on the 2nd working day before the service. After this the website will lock for new orders, and you will need to contact Obitus via phone or email to make orders and amendments. A Late fee will be applied to any orders or amendments made up until 2pm the working day before the service. After 2pm we will not accept new orders.

What's the difference between the two new download links in our Keepsake range?

- A download link of the service can still be added to the Live and On Demand but now comes with a small fee to cover the additional work associated with producing it. This brings Live and On Demand download in line with the Tribute Download, which should help to avoid confusion.
- For families that **did not** opt to have Live and On Demand streaming but would still like a downloadable link of the service, we can now offer this as a stand-alone product under the Keepsake section of the dashboard.

My client would like a copy of the Service or Tribute, but the funeral has already taken place, is this possible?

- For copies of the Service - keepsakes can be ordered on the dashboard for up to 30 days after the service. However, we can retain footage at many crematoria for up to 90 days after service. If you would like to order a keepsake after 30 days post service, please call our team on 03333 447 440 who will be happy to check the availability of the footage.
- For copies of the Tribute - we keep these for 2 years after the service, this ensures that families can order keepsake copies of their tribute even if they didn't request them with the original order.

Updates will take effect from 1st April 2025. Any questions or comments, please do let us know.
